Call Tech Support for Ex-Rite Faults

- COMPLAINT:** Ex-Rite power steering fluid exchange machine stops working properly.
- CAUSE:** Multiple possibilities.
- CORRECTION:** Go through the Troubleshooting section of your Operating Manual. Never take the back off your machine! If you can't get the system working by following the procedure in your Troubleshooting section, call Customer Support at 800-872-8921 and we'll handle your situation.
