# #6053 & 6055 Steer-Rite Universal Synthetic Power Steering Fluid

## Steer-Rite® Universal Synthetic Power Steering Fluid

- A full synthetic power steering fluid designed to provide superior performance in extreme conditions.
- Delivers performance over an extremely wide range of temperatures and pressures in steering systems, level control, hydro-pneumatic suspension, stability and traction control systems.
- Meets or exceeds the specifications of European vehicle manufacturers, such as Mercedes-Benz 0009898803, BMW, Volkswagen G002000/ G002012, Volvo and others.
- Contains anti-wear agents and detergent additives, conditions seals and protects against wear and noise.
- A premium fluid formulated for use in domestic and import passenger vehicle steering systems requiring synthetic power steering fluid, or where the ultimate in performance and protection is desired.

## Steer-Rite® Universal Synthetic Power Steering Fluid is designed to deliver the following performance:

- Outstanding High & Low Temperature Performance
- Excellent Shear Stability
- Helps Prevent Corrosion & Wear
- Highly Shear Stable
- Fully Synthetic Formulation

Steer-Rite® Universal Synthetic Power Steering Fluid is warranted to meet or exceed the performance requirements of most power steering fluid specifications.

C.A.T. Products Inc. warrants that the proper use of this product will not harm or damage any power steering system for which it is suitable.

### PRODUCT PROPERTIES Typical Characteristics

PROPERTIES	Synthetic PSF
ASTM D-445 Viscosity @ 40°C, cSt	36.28
ASTM D-445 Viscosity @ 100°C, cSt	6.45
ASTM D-2270 Viscosity Index	131
ASTM D-2983 Brookfield Viscosity @ - 40°C, cP	31,200
Spindle Speed, rpm	1.5
Color, Visual	Green

### SPECIFICATIONS

Shipping Class	65
PART NUMBERS	Weight
6053 6 kits per case	31 lbs.
6055 6 64 oz. bottles per case	26 lbs.
